Q: Are you available to do church missions conferences in the United States?

-----

A: YES, when I am in the States. Part of our ministry is to help churches more effectively connect to the harvest. An important part of that process is for a church to have an annual missions conference in which a separate budget for world missions is raised. Contact me to schedule a meeting in your church.

Q: Are you still responsible for raising your own support?

-----

A: YES. Like any other missionary, it is my responsibility to build partnerships with individuals and churches who believe in what we're doing and support this ministry.

Q: Can individuals or groups visit your ministry overseas or participate in mission trips?

-----

A: Yes! If you think you may be interested in visiting us or setting up a missions trip, please contact us.

Q: How can I support your ministry?

-----

A: With your prayers and your finances - because I need prayer partners as well as financial partners! You may send your financial gifts to Mike Croslow, P.O. Box 242338, Montgomery, AL 36124. Please make your check payable to HARVEST CHURCHES INTERNATIONAL and clearly mark your check, "Africa Outreach". You can also give online [HERE](#) .

Q: Are my gifts to your ministry tax deductible?

-----

A: Yes. Harvest Churches International will send you a receipt for tax purposes for your giving.
